### *Green River City Council Resolves to support the expansion of Nuclear Energy*

**Green River City, UT** – The Green River Mayor and City Council unanimously passed a resolution opposing a proposed Utah legislative bill designed to limit nuclear power development. They officially support nuclear energy.

Aaron Tilton CEO of TPD said in response to the passing of the resolution “The people of Green River have been extremely supportive. When visiting we are always asked when are we going to build it and how many jobs will it provide? We could not ask for better local and county support.”

#### **About Transition Power Development**

Transition Power Development (TPD) is a limited liability company serving the electric power generation industry by identifying and developing new nuclear plant sites in the western US. The TPD business mission is to select, acquire, enhance, and license plant sites which are uniquely well suited for the deployment of new nuclear power generation. TPD controls or owns the principal assets of its projects.
